RACE COMMITTEE		

New SI 10.3 is added:

10.3 In the long distance race, in addition to signaling individual recall as per RRS 29.1 the race committee will inform boats identified as OCS by pointing a red flag at them and hailing their sail number. Those boats are allowed to correct the starting error as per RRS 29.1 and continue racing. This will happen not earlier than 90 seconds after the start signal. Timing of this information and order in which boats will be informed will not be grounds for redress. This changes RRS 62.1(a).
